

Drinking Fountain Cleaning Procedures

Supplies Needed:

- Rags or Paper Towels
- Simoniz bath & Tile Cleaner or NCL Corral
- Glass Cleaner

Steps:

1. Slightly wet one rag or paper towel.
2. Put a small amount of Simoniz Bath & Tile or Corral on drinking fountain with a small amount of water. Do Not Over Wet.
3. Spread/Clean/Scrub all stainless steel.
4. Spray Glass Cleaner on Water Fountain.
5. With dry cloth or paper towels wipe and dry water fountain to a clean, streak free, shine.
